

STEAMFEST 2020

7th, 8th & 9th March 2020 14 Spring Street, Sheffield, Tasmania

INFORMATION for STALLHOLDERS

Please see below the new SteamFest Stallholder Information package and Stallholder Application Forms for 2020.

Please read the Stallholder Information package first as this will help you fill out the Application Form with ease.

There are 2 choices of Stallholder Application Forms:

1. Print out and complete by hand then either scan and attach to an email, OR mail via Australia Post to SteamFest PO Box 143 Sheffield TAS 7306.
2. Save the fillable PDF form to your computer, open with Adobe Reader* complete by typing into the relevant cells, save then attach to an email. **If you are using this form, please take care to note your two stall preferences with both the area of the stall and the stall number/s (2 different cells for each preference).**

The fillable form will work best with an Acrobat PDF Reader. If you need to download a PDF Reader, I recommend this <https://acrobat.adobe.com/au/en/acrobat/pdf-reader.html>

Please note there are 2 different email addresses on the form to return the Stallholder Application i.e. one for Big Shed stalls and one for Outside stalls.

The phone number being used this year for outside stall enquiries will be shared by a couple of people and it might go to a message bank. Please leave a message and this will be responded to as quickly as we can. I look forward to receiving your paperwork.

Regards Jill Ridgway - OUTSIDE Stall Co-ordinator
